IMBERT INTERNATIONAL INC.

7030 N. Austin Ave, Niles, IL 60714
Main Line: 847-588-3170 | Parts Line: 847-324-9750 | Fax: 847-588-3173

AGronomic IQ	Specializing in HVAC Solutions for the cannabis market. Compressor wall technology, unit packaged fluid coolers, sophisticated controls including compressor staging.
ALFA LAVAL	High Performance Plate Heat Exchangers.
American WHEATLEY HVAC PRODUCTS	Quick Ship! Flexible Connectors; Suction Diffusers; TD Valves; Check Valves; Strainers; Balancing Valves; Butterfly Valves; and ASME Bladder Type and WPS Plain Steel Tanks.
Armstrong WORLD INDUSTRIES	Radiant Ceiling Panel Systems including Extruded; Modular; Diffuser and Perforated.
BAC BALTIMORE AIRCOIL COMPANY	Cooling Towers; Closed Circuit Fluid Coolers; Thermal Storage Systems; Evaporative Condensers.
Bard	Wall Mounted Heating and Cooling Units in 1 through 6 tons, configured in Air Conditioning, Heat Pump, and Gas/Electric.
CLIMACOOL A NIBE GROUP MEMBER	Modular Water Cooled and Air Cooled Chillers 30 to 840 Tons Through a Combination of 30, 50, 70 Ton Modules.
ClimateCraft	Manufacturers of Industrial Grade Custom Air Handling Units Featuring Fan Matrix Balance Stream Fans, Roll Formed Panels, Thermal Break Construction.
CLIMATEMASTER	Conventional and Geothermal Rooftop, Make-Up Air, Console, Vertical Stack, and Horizontal Water Source Heat Pumps.
COLMAC WATERHEAT	Sanitary hot water and energy efficient heat pumps capable of heating water as high as 185 F down to 0 F, 160 F to -10 F, and 140 F to -15 F.
DELTA-THERM CORPORATION	Delta-Therm is an American manufacturer of engineered heat tracing solutions. Providing systems that are practical, cost-effective, compliant and fully supported.
driSteem	Electric - Gas Fired - Gas to Steam, Steam Injection - Ducted, Steam to Steam 'Ultra-sorb', 'Rapid-sorb' Steam Distribution Panels, New High Pressure Steam Atomizing System.
EASYWATER	Open and Closed Loop Solutions, including: No-Salt Conditioner, BacteriaShield UV, Skid Mount or Component Systems for Cooling Tower and Boiler Systems.
GRISWOLD CONTROLS	Automatic Flow Control Valve and Valve Packages; 'Quickset" Manual Valve Packages; Pressure Independent Control Valves.
HIGH-K	Offering an innovative shell and tube heat exchanger with an exceptionally high heat transfer coefficient for industrial fluid cooling and air conditioning.
HVAC	Self Balancing Air Terminals - Featuring variable orifice plate technology and ITAC - Intelligent Air Control-™ - Units arrive factory commissioned and pre-configured.
Hyspan	High and Low Pressure External and Internally Pressurized Expansion Joints; Pack Type; Ball Joints.
IEC International Environmental	Modular High Rise Stack, Horizontal, Vertical, High Performance and Belt Drive Fan Coils.
MASON INDUSTRIES, INC	Vibration and Noise Control Products; 'Floating' Sound Isolation Floor Systems.
PETRA	Air and Water Cooled Chillers, Custom Packaged DX Rooftop Units w/ Multi Zone Options, DOAS Units.
PUROFLUX CORPORATION	Industrial Liquid Filtration and Separation Equipment — Centrifugal Separators and Sand Filters.
QUEST DEHUMIDIFIERS	Dessicant Dehumidification Equipment delivering the most consistent and predictable grow room environments for producing high-quality yields in the increasingly competitive cannabis industry.
RGF ENVIRONMENTAL GROUP, INC.	RGF Commercial Air Purification products provide innovative solutions to challenging Indoor Air Quality (IAQ) concerns in commercial buildings. Utilizing RGF's proprietary PHI.
seresco	Advance Dehumidifying Heat Recovery Systems for Indoor Pools and Dehumidifiers for Commercial and Industrial Applications Featuring WebSentry Technology.
Swegon	Passive House and Well Building Certified DOAS Units, Active and Passive Chilled Beams, Integrated climate beam Complete with Cooling, Heating and Ventilation Functions.
UCA UNITED COOLAIR	Indoor self-contained HVAC systems, DOAS equipment with energy recovery options, split DOAS systems, and custom portable temporary cooling solutions. Temp cooling options are built to order.
VAN-PACKER® CO.	Positive Pressure Stack Systems — Air Insulated, Material Insulated and Refractory Lined Stacks; High Temperature and Engine Generator Exhaust.
