

IMBERT INTERNATIONAL INC.

Manufacturers Represented

7030 N. Austin Ave. Niles, Il. 60714 Ph. 847-588-3170 Fax 847-588-3173

Designers, Engineers and Manufacturers of All Aluminum Customized Air Handling Equipment

Radiant Ceiling Panel Systems

High Performance Plate Heat Exchangers
Double Wall Plate Heat Exchangers

Cooling Towers; Closed Circuit Fluid Coolers; Thermal Storage Systems; Evaporative Condensers; Heat Exchangers

Air Purification And Energy Recovery Systems: Gas Phase Filtration; Bi-Polar Ionization Industrial Dust & Odor Control

DOLPHIN — Advanced Chemical Free Water Treatment Technology

Manufacturers of Industrial Grade Custom Air Handling Units Featuring Roll Formed Panels and Thermal Break Construction

Rooftop, Console, Vertical Stack, Large and Small Horizontal Water Source Heat Pumps

'Dry-o-tron' Dehumidifying Heat Recovery Systems for Indoor Pools and Industrial Applications

Electric - Gas Fired - Gas to Steam, Steam Injection - Ducted, Steam to Steam 'Ultra-sorb' and 'Rapid-sorb' Steam Distribution Panels

Adjustable Frequency Drives for HVAC Applications; NEMA Type Motor Starters; Enclosed Controls

Computer Room and Precision Control Air Conditioning Units

Automatic Flow Control Valve and Valve Packages; 'Quickset' Manual Valve Packages; "Automizer" and "Unimizer" Control Valves

High and Low Pressure External and Internally Pressurized Expansion Joints; Pack Type; High Temperature Exhaust Bellows

Modular High Rise Stack, Horizontal, Vertical, High Performance and Belt Drive Fan Coil Units

Vibration and Noise Control Products; 'Floating' Sound Isolation Floor Systems; Custom Applications; Air Mount Systems

Strainers; Check Valves; Flexible Piping Connectors; Pipe Seals; Pipe Expansion Loops; Expansion Joints and Compensators; Pipe Guides; Air Vents and Flow Meters

Industrial Liquid Filtration and Separation Equipment — Centrifugal Separators and Sand Filters

'VIBRO-CURB' Combination Roof Curb and Vibration Isolation Systems

Positive Pressure Stack Systems — Air Insulated, Material Insulated and Refractory Lined Stacks; Hi Temperature and Engine Generator Exhaust.
